of the
Midway Head Warrior Vic.

Your association is working very hard to fulfill a long sought after dream. That dream is to have our own building, one that we can call home. As you read this news letter, please be thinking of ways to raise money.

Right now, we have two fund raising projects running full bore.

Corky Ambrose is committee chair for the building fund raiser, and Rebecca Corpuz is our Oklahoma Chair. I want to thank these two Warriors for stepping up. I'm sure Rebecca will list the committees by name. Please feel free to help out anyway you can to make these endeavors a

success. I can tell you that we the Yakama Warriors are having a spaghetti feed on the 28th of February at the All Tribes Church on Highway 97, from noon till 6:30.

Corky is dispersing books of tickets for the building fund raffle, which will be held at the end of March. Get your tickets while they last.

I received a call from Representative Norm Johnson's Office about a week ago requesting a copy of our building blue prints. As usual it was, like now, I was lucky because I had the prints in my car. Remember, I'm at work, so I ran out to the car, took the prints to the architectural drafting teacher Mr. Snodgrass he scanned them, cropped them and emailed them to Olympia. We still not have heard anything back, but at least we know they are looking at our proposal. Keep your fingers crossed; this could be a big break for us.

Remember to keep all our Warriors and their families in your prayers of healing, strength and happiness.

Keep your powder dry, your sails up and your ship on an even keel. Vic

I'm going to start by apologizing to Vic and Joanne Wood for the error that I made when I announced that they were celebrating 39 year. They were not celebrating 39 years they were celebrating 43 years of glorious bliss. Here is another picture of the happy couple.

Other Couples that celebrated, or will be celebrating their wedding anniversaries.

Joe and Sena Moreland celebrated their 39th anniversary the same day as the attack on Pearl Harbor Day, December 7

To Chaz and Sandy Wyman, who also celebrated their anniversary on January 12. in line with Vic and Joanne 43 years together.

Now for the details that the Warriors participated in.

In January the Warriors did the flag detail at the community centre in Toppenish where Corpuz Promotions sponsored another pro fight where Randell Corpuz had a TKO, so his record is now 4.2.1. A photo of the Warriors with the card girls, and Ms Asure who just won her 2nd TKO.

The 4th Martin Luther King Parade held in Toppenish on January 20. The parade began with the Yakama Warriors leading the parade from Market place parking lot to the
